WEEKLY NEWSFLASH!

Summer Term 2021: Week 12 (Friday 16th July 2021)

Dear Parent/Carers,

It's been another busy week at St. Peter's as the children work to complete their Summer Term curriculum. Hopefully the sunny weekend will give everyone some time to relax and recharge for our final week of the academic year!

Next week I will write a separate letter to confirm all the arrangements for September, like start and finish times. We are so looking forward to welcoming you back into school the first week back so that you can meet your child's new teacher.

As we start to prepare for the next academic year, I would really appreciate it if you could spare a few moments to complete an end of year parent survey. If you have more than one child please complete one for each child. <https://forms.office.com/Pages/ResponsePage.aspx?id=es2dMi2oq0y6pmlMHBrUB45-nCXB-1JMhpR89vc7cLIURVZRNIZKTEJRUENMTkxQV043WVBQQ1FGRy4u>

Many thanks and have a lovely weekend,

Reading Books

Reading books will not be coming home next week as we need to collect all our library books and reading books in so that we can do a stock take and get them all organised for September. We will gratefully receive any of our books that you find at home, no matter how long they have been hiding!

Year 6 Production

It was a real treat to watch the Year 6 production of 'Shakespeare Rocks' and we are thrilled that they got to enjoy the opportunity to perform. Y5 watched them Wednesday morning and Y4 watched in the afternoon. The film of the show is still being edited... Y6 parents you are in for a real treat as it was an energised and engaging show! We are so proud of how well the children's performed. It's amazing what they have achieved in such a short amount of time. A huge thank you to Mr Tombling, Mr Stenning and Mrs Searles for organising and staging the production

Louise's Legacy

So many of you made a donation to Louise' Legacy – thank you. We are thrilled to report that a grand total of £6, 223 has been raised (which includes £1,003 of gift aid).

We are planning to create an outside story telling area and prayer labyrinth in a corner of the field, a whole school reflection area in the KS2 entrance and a permanent 'Godly Play' area which was one of Louise's passions.

If you are able to offer us any advice with designing and creating the outside story telling/prayer labyrinth area, we'd love to hear from you.

Infrared Camera

Year 5 would love to borrow an infra-red camera for the first week of term. If you have one that you could lend, please could you contact the office and we will be back in touch with you in September.

YR animal visit

Octopus and Starfish enjoyed a visit this morning by Our Amazing Animal World. We were able to see and touch a snake, a chinchilla, tortoises, a rabbit, a bearded dragon and a skinny pig. The children loved learning about the animals and all have a certificate for their bravery, including Mrs Jewell.

Attendance Alligator

Octopus	99.07%
Starfish	98.67%
