WEEKLY NEWSFLASH!

Summer Term 2021: Week 8 (Friday 18th June 2021)

Dear Parent/Carers,

Although the beginning of the week didn't start with the news that we were all hoping for, we've had another great week at school and we are working hard to ensure that our children continue to learn and flourish in the current restrictions. Reception had chicks last week and this week welcomed guinea pigs (which are yet to be named by the children!), all of KS2 got to participate in their sports day, Orca's class had a virtual visit to the British Museum, Y2 have been making chocolate sweets after being inspired by reading *Charlie and the Chocolate Factory* and Y5 welcomed a Jewish lady who shared her faith inspired paintings and lots of Jewish artefacts. We've had a very busy week!

As this term races on I wanted to briefly share what we will be doing in terms of transition for your child's next class. We will be having a transition morning on Wednesday 7th July, where the children will spend some time in their new classroom and meet their new teacher. I will be sending out a letter next week with further details about this.

Have a great weekend and let's hope tonight's football match result gives us something to cheer about!

Mrs Maurice

KS2 Sports Day

Children in Years 3 – 6 enjoyed their sports days at the beginning of this week in glorious sunshine. Unfortunately, the weather turned for us today meaning that the EYFS/KS1 sports was unable to go ahead, but we are hoping to try another day next week. For Ks2, we congratulate Kestrel, who were the KS2 winners with 1477 points followed by Phoenix with 1394, Eagles with 1363 and Hawk at 1308. Their points will be added to the EYFS/KS1 scores, hopefully next week to create an overall winner.

Y4 Virtual visit to The British Museum

Y4 Swordfish had an hour over zoom with a museum educator who led us through a Roman Britain treasure challenge. Next week it will be Orca's turn!

Christingle Candle Collection

We are delighted to report that an amazing £282.84 was raised in support of The Children's Society. Many thanks on behalf of St. Peter's Church to all our families and children.

First4Uniform

Owing to Covid, First4Uniform are experiencing stock delays from their suppliers. They will do their utmost to keep our uniform as available as they can, but please do be patient with any delays on obtaining items.

Science Week

We are still in need of plastic bottle donations and margarine tubs for our Science week, w/b 5th July.

School Photos

Class photographs will be taking place on Tuesday 22nd June. All children need to come to school in clean, presentable school uniform with long hair tied back and wearing school shoes. If your child has Forest School or it is a PE day, then they will need to bring their Forest School clothes/PE kit with them to get changed into after the photo. The class with Forest School will have their photo first.

Guinea Pigs

On Monday these two gorgeous little guinea pigs arrived in Reception. They are 9 weeks old and are getting adjusted to being in the company of children! All of the Octopus and Starfish class have had a cuddle. We can't wait to hear what they will name them!

Attendance Alligator

Octopus	98.39%
Starfish	99.16%
Puffins	96.76%
Seahorses	100%
Dolphins	98.77%
Turtles	98.77%
