Unlocking the potential in everyone

WEEKLY NEWSFLASH!

Summer Term 2021: Week 9 (Friday 25th June 2021)

Dear Parent/Carers,

With the disruption of two bubbles bursting this week it has made us appreciate how fortunate we have been at St. Peter's to have gone so long without having to do this. There are some updates on the information that I sent out yesterday, which are that two further children in Penguins class have tested positive on a lateral flow test and are now waiting on a PCR test result.

Should your child become unwell and they take a test which comes back with a positive result, please email the school immediately on the office@stpetershenfield.org.uk address. This email account is monitored outside of school hours in case of emergencies. This is a very anxious time for everyone so it would be really helpful if you could refrain from putting news out via social media before speaking to us. This gives us a chance to ensure the right families receive the correct information without causing undue stress and worry.

Have a lovely weekend and keep safe.

Mrs Maurice

Reception/KS1 Sports Day

Children in Reception, Y1 and Y2 enjoyed a lovely sports morning yesterday. Starfish wrote some sentences about what they did! The scores for the morning were:

Kestrel: 753 (3rd)

Phoenix: 749 (4th)

Eagle: 782 (2nd)

Hawk: 938 (1st)

Making the grand total for KS1 and KS2:

Kestrel: 2230 (2nd)

Phoenix: 2143 (4th)

Eagle: 2145 (3rd)

Hawk: 2246 (1st)

Well done HAWK!

Next year's classes

I will send out a letter on Monday to inform you of next year's staffing arrangements and your child's next teacher.

Virtual Thrive Room

Updated Thrive resources and activities can be found in your child's *google classroom*. Although Mrs Allen and Miss Foster are isolating they are still able to support children virtually. If you have any concerns you can contact them through the school office,
