Unlocking the potential in everyone

WEEKLY NEWSFLASH!

Autumn Term 2023: Week 1 (Friday 8th September 2023)

Dear Parents/Carers,

It was lovely to see our 'Meet the Teacher' events so well attended this week. I hope that you found them useful - we always have so much information to impart! In case you missed them, I explained that this year we need to get back to pre-covid school life as we seem to have lost some muscle memory about how we used to work. Our assemblies this week have been about aiming high in our work and learning behaviour as well as with how we present ourselves. As Miss Foster said in her assembly on school uniform - 'we need to be smart on the outside' and 'smart on the inside!' In next week's assemblies we will be exploring respect and our behaviour. We will be explaining our new behaviour management flow chart which we briefly shared at our meet the teacher sessions. This has also been emailed home today. However, I have to say that I have been really impressed with how well the children have settled back into the school routine and I have been really proud of their behaviour in and outside of the classroom.

Please find attached the Parent Survey - you might have noticed how many times Miss Foster and I referred to it when we spoke at this week's sessions. This highlights how much we value your feedback and act upon it so thank you so much.

We are really excited about our revised curriculum and can't wait to take your children on an engaging learning journey. We have high expectations and really want all of our pupils to aim high so that they can unlock their potential.

Denise Maurice
Headteacher

Y5/Y6 Walking home from School

With parent consent, children in Y5 and Y6 are able to walk home unaccompanied at 3.15pm. If you have a child in Year 5 or Year 6 and would like to give permission for them to make their own way home, then please follow: <https://forms.office.com/e/eLYWYhWvXF>

Y5/Y6 Mobile Phones

Children in Y5 and Y6 may bring a mobile phone into school, but under strict conditions. If you would like to give consent for your child to bring their mobile phone into school then please review the following link: <https://forms.office.com/e/BZYdTXuqgW>

Henfield Library Summer Reading Challenge

The library service have asked us to remind children and families that the 'Summer Reading Challenge' finishes this Saturday (9th September). If your child has any certificates and medals, please encourage them to bring them in on Monday so we can celebrate their achievement in assembly.
