

15th October 2024

Dear Parents/ Carers,

Phonics Workshop

We will be holding a phonics workshop for you and your child on Thursday 24th October. This workshop will give you an insight in to how we teach phonics in the early years. There will be an information session with strategies to support at home, followed by a practical session with your child. At the end of the session, you will have an understanding of:

- how we teach phonics in the early years
- strategies and ideas to support at home
- a bag of resources to support at home

As this is a parent/carer and child workshop you or a family member will need to attend for your child to take part. If a family member is unable to accompany your child, they will continue in class as normal.

The workshop will take place in the school hall with the phonics lead and Reception teaching staff from **9.00-10.00am**. Please email the office if you are able to attend by 22nd October to ensure we bring the right children to the hall.

If you have any questions regarding the workshop, please do not hesitate to speak to your class teacher.

We look forward to seeing you at the workshop.

Kind regards

Julie Jewell
EYFS /Key stage 1 leader
