

Wednesday 19th November 2025

Dear YR Parents/Carers,

YR Nativity – A Miracle in Town

We are looking forward to hearing the children start their rehearsing for 'A Miracle in Town'. For us in the office, it is always a lovely sound to have in the background while working.

Performances

There will be three performances for Parents/Carers and Family Members:

Monday 8th December. The first one is on Monday 8th December at 9.30am, which Parents with pre-school children and younger siblings are invited to attend. Local nurseries and pre-schools have also been invited. For this performance we ask that only one parent/carer attends with any younger children. If you are thinking of coming to this performance, please could you indicate this on the form referred to below.

Tuesday 9th December & Wednesday 10th December: These are ticketed performances for Parents/Carers and Family Members **only** and will start promptly at 9.30am in our school hall. **Younger children will not be allowed entry.**

Tickets

Parents/carers are entitled to 3 tickets, per family. Your ticket allocation can be spread over the 2 performances, i.e. 1 for Tuesday and 2 for Wednesday. To submit a request for tickets, please follow the link below.

[Year R Nativity - A Miracle in Town – Fill out form](#)

The closing date for requesting tickets is Friday 28th November. Once tickets are allocated, we shall hopefully be in a position where we can offer more to families and we will email again after the deadline if this is going to be possible. The tickets are not allocated seating so families will still be able to sit together if more become available.

Photographs/Recording

For safeguarding, we cannot allow any photograph taking, or video recording of any of the performances. Photographs will be taken of the children by the YR team to be shared with you afterwards.

Although there will be no cost for the tickets, we would welcome any donation you would be able to make and will have buckets available at the end of the performances should you wish to contribute. Any donation will help with costs on future productions.

Our YR nativity is a much-enjoyed part of our school Christmas celebrations and we look forward to sharing it with you.

Yours sincerely,

D. Maurice, Headteacher
