Dear Parent or Carer

Spring Concert 2026

I am really pleased to be able to announce that our Spring Concert for this year will be taking place on Tuesday 3rd March at 6pm (slightly earlier than usual). It is such a great opportunity for children learning an instrument to perform informally in front of an audience, as well as celebrate the range of musical talent here at St. Peters!

Singing Club will be performing at the concert – please make a note of the date and complete the form below to give permission for your child to take part.

If your child would like to perform in the concert, please complete the form below no later than Friday 14th February.

[Spring Concert 2026 – Fill in form](#)

For children who learn an instrument at school I will be in contact with your peripatetic teachers, who will help organise the piece you will perform. Children who are taught in small groups (e.g. violin, guitar, flutes) will most likely perform in these similar groups for the concert. (Please note that Rock Steady children will be performing in their own concerts at the end of the term.)

If you learn an instrument outside of school, please liaise with your music teacher to decide on the best piece to perform, and let me know the title and composer of the piece. Sadly I am not able to accompany children, but can play a backing track if need be, just let me know in advance!

Although we do hope to include all instrumentalists, in the unlikely event of a large uptake, places will be offered on a first-come-first-served basis.

On the evening of the concert, instrumentalists who need to tune instruments will be asked to arrive at 5:40pm, and any other performers at 5:50pm, in time for a 6pm start. Further information will be sent out nearer the concert.

Many thanks and best wishes,

Mrs Mandy Powell
Music Subject Leader
