Parents/Carers of Year 3 – Stingray class

Dear Parents/Carers,

I am sorry to have to inform you that Ms Leonard will not be in school from Wednesday 30th September to Wednesday 14th October as she needs to undergo medical treatment.

When arranging class cover for any teacher that is absent from school, we always try to have cover teachers that are familiar with St. Peter's.

Therefore, we are really fortunate that Mrs Harrison who has previously taught at St. Peter's is able to cover for the period up to and including Friday 9th October. On Monday 12th October, Mrs Tulip, one of our experienced HLTA's will support the class with Mr Church, our Pufferfish Class Teacher in Stingray on Tuesday 13th October. Mrs Harrison will then return for the Wednesday, 14th October.

I am sure you will all join me in wishing Ms Leonard well with her treatment and recovery.

Yours sincerely,

D. Maurice
Headteacher
