Multiple Births

Where there are children whose twin or sibling have applied there is only one place left within the admission number, then the governing body may choose to admit, under limited exceptional circumstances. These children will remain an 'excepted pupil' for the time they are in an infant class or until the class numbers fall back to the current infant size limit.

Tie-Breaker

Random allocation will be used as a tie-break to decide between two applications that cannot be otherwise separated. The process will involve the drawing of lots, which will be supervised by a person independent of the school and Admissions Authority.

Waiting List

In accordance with statutory guidance, the school will maintain a waiting list for the Reception year group until 31 December of each school year of admission. The waiting list is set-up 20 days after the allocation date. Waiting lists are ranked using the published oversubscription criteria. Each added child will require the list to be re-ranked, this means that a child's name may go down as well as up. The waiting list is closed on 31 December of each school year of admission and the names removed.

Looked after children and previously looked after children, and those allocated a place at the school in accordance with the Fair Access Protocol, will take precedence over those on the waiting list.

If you require your child to be added to the waiting list for the Reception year group, this must be sent in writing to: -
