

Worship Assembly – On Monday 26th February Lizzie Williams joined us for an assembly. Lizzie is a 22-year old British athlete competing internationally as a wheelchair racer with her sights set on the Tokyo 2020 Paralympics. Having been born with Osteogenesis Imperfecta (more simply known as Brittle Bone Disease) Lizzie explained to the children how she had to challenge her disability, using it to inspire and pursue her ambitions. We wish Lizzie the best of luck with her training for Tokyo and thank her for visiting us.

World Book Day Readathon - Thank you everyone at St Peter's for their huge efforts with the readathon! It was a great success and we raised £2,218.35! We are really pleased so thank you to all the sponsors and children for taking part - it was a busy day of reading. Also, thanks are due to the PTA for providing refreshments at the Bedtime Story event – another success!

Spring Music Concert – We experienced a musical extravaganza on Wednesday evening as our young musicians showed their extraordinary talents at our Spring Music Concert. The children played flutes, clarinet, saxophone, violins, guitar and piano with singing club introducing the evening with songs from their repertoire. Very well done to all the children who impressed the audience with confident performances showing how hard they had worked to learn pieces. Thank you to all their music teachers, especially Mrs Milward and Mr Smith who supported their pupils on the night. Also to Mrs Flood-Murphy and Mrs Jewell for, not only leading music groups, but also their help in hosting and finally, a big thank you to Mrs Powell for organising the evening. We very much look forward to next year!

Sport Relief - to support Sport Relief this year we are holding a non- school uniform day on Wednesday 21st March. The children can come to school dressed as a sportsman/woman of their choice and a suggested donation of £1 will be collected.

Playground Bins – It would be appreciated if Parents/Carers and Visitors could refrain from putting dirty nappies in the bins on the playground.

Parking Plea – Please can I urge all Parents/Carers to be mindful that Fabians Way and Northcroft are residential areas and consideration must be given to local residents when parking. Most of you will agree that it is annoying when you need to get your car out but can't because of inconsiderate parking. Just recently we have also received further complaints about speeding down Fabians Way and Northcroft, which is a major safety issue for children on their way to school. Please do be careful.

Attendance – The class standings so far for this terms highest class attendance goes to Y2 **Turtles** (96.74%) for EYFS/KS1 and Y4 **Swordfish** (97.84%) in KS2. Will they manage to hold their lead up to the end of term?

Sports Reports

Netball – On Tuesday 6th March, two Y6 teams played in a netball tournament at The Towers School. St Peter's Team 1, captained by an amazingly vocal Lily W, fought really hard to finish just 2 points off 2nd place, coming 3rd overall. St Peter's Team 2, captained by Immy, finished in 6th place, which was brilliant considering the team suffered a few finger injuries! Well done to all the girls, the standard of netball played by both teams was extremely high. Thank you to all the parents that transported and supported us.

Did you know ... The longest bone in the body is the 'femur' (thigh bone) and is considered to be the strongest bone in the body. The smallest bone, which is in your middle ear, is called the 'stapes' (or stirrup) and is only 2.8 mm long. There are 54 bones in your hands, fingers and wrists. This is the part of the body that has the most bones..
