

Year 6 Netball

On Tuesday 6th March, two teams from yr6 played in a netball tournament at The Towers School. The teams had a fantastic afternoon and it was great to see all the girls having fun. St Peter's team 1, captained by an amazingly vocal Lily W, fought really hard to finish just 2 points off 2nd place, coming 3rd overall. St Peter's team 2, captained by Immy, finished in 6th place, which was brilliant considered the team suffered a few finger injuries! Well done to all the girls, the standard of netball played by both teams was extremely high. Thank you to all the parents that transported us to the tournament and supported us.
